## ***Save the Date - Pressed Fest - Saturday, August 20<sup>th</sup>, 2022***

(Lakewood, CO) The Pressed Fest, Colorado's classic cider tasting event, returns this summer with a new location and package sales available.

The Colorado Cider Guild is hosting the fifth annual **Pressed Fest** at the Heritage Lakewood Belmar Park in Lakewood, Colorado on Saturday, August 20<sup>th</sup>. There will be two sessions available – one from noon until 3pm, and from 4pm – 7pm.

Due to the popularity of on-site sales last year, the producers will be again offering package sales right on the festival grounds. Attendees can sample and then purchase their favorite ciders directly at the festival.

**Pressed Fest** is a fundraiser for the Colorado Cider Guild, and all proceeds will go towards further promoting craft cider in Colorado. Festival attendees will have access to unlimited cider samples as well as expanded local food truck vendors.
